

## Many thanks to all those who shared in producing this directory

This directory is the second in the 127 year history of our parish, the first one having been done some five years ago. The directory has proved to be an invaluable aid in bringing closer together our parish family by helping us get to know each other better as individuals, families, and participants in the life of our church.

Special thanks needs to be said to the many people who gave of their time and talents to make this directory possible.

To Steve (Buddy) and Judy Kaska for the skill and time they donated in taking the cover picture, the staff photographs and the parish activities group photographs.

To Jo Ann Kolar, Carolyn Gerik, Billie Brem, Frank and Janet Jasek, and Jim Shannon, who served as the Parish Directory Committee which is ultimately responsible for the publication of the directory.

The publication of this directory has been a labor of love by those named here and surely others whose contributions may not have been noticed but were just as necessary to the success of the project. May God continue to bless each of them and every member of our beloved parish.
