Planned Parenthood must stop killing pre-born babies and cruelly harvesting and selling the organs of defenseless babies. Join your old and new friends to hear the words of Waco area pro-life lay and clergy leaders.

We will also be honored to have **Texas State Representative Molly White** of Belton speaking at this turning point event.

Learn about what we can do to:

- Stop federal taxpayer funding of Planned Parenthood.
- Encourage strong state and national investigations.
- End local non-profit alliances with Planned Parenthood.
- Turn hearts, minds, and souls to care for the Lord's precious little ones.
